Abstract. Crypto Hunter Community (CHC) Token was launched on August 18, 2021 on Binance Smart Chain Network, started as a fad, because many people were enthusiastic, the founders decided to continue and gradually build a strong, friendly and solid community. We believe, with a strong community, anything can happen. Starting from zero, going to infinity.

PROJECT DETAILS

CHC is a community token where everything is determined by the community, the community decides what to do and the community also does it.
